**UIL ACCOUNTING
2024 District Test**

Do not turn this page until the start signal is given!

All answers MUST be written on your answer sheet. No other test papers are graded or reviewed by the graders.

Upper- or lower-case letters are acceptable. Write legibly. All answers must be clearly written, or they will be counted wrong. Write letters far enough above the line so that (for example) an “E” is distinguishable from an “F”.

Carefully read the instructions for each group of questions. Pay particular attention to instructions regarding: 1) the format of answers; and 2) rounding.

Acceptable Responses Section

Debit/Credit questions:				True/False questions:			Yes/No questions:			for Zero	
Debit	DR	debit	dr	True	T	true	Yes	Y	yes	0	-0-
Credit	CR	credit	cr	False	F	false	No	N	no	zero	

If an answer has zero cents, it is not necessary to write the decimal or the zeroes for cents. However, a dollar amount with cents must have TWO decimal places. A required decimal point must be clearly visible and in the correct position.

Including commas in an amount where appropriate is encouraged, but it is optional.

Failure to use commas will not make your answer wrong; however, marking a comma in the wrong position will cause your answer to be marked wrong.
